4 Cylinder Nationals- Rules

The 2nd Annual 4 Cylinder Nationals is made possible by the kindness and generosity of Mr. Andy Cusask of Beech Ridge Motor Speedway. We wish to thank him in advance for again, making this opportunity possible.

General:

All drivers regardless of their racing division must adhere to all the general rules and the minimum driver requirements of Beech Ridge Motor Speedway, which requires a valid driver education drivers permit from the state in which they reside. New Hampshire drivers must be fifteen years of age with documentation from New Hampshire, which certifies their ability to operate a motor vehicle on a public road. Beech Ridge Officials shall make the final determination as to who can compete.

Racing Divisions:

1. The Pro-4 Modified Tour will compete under their rules. For information please contact PFMNE at www.pro4mods.com.
2. Legend Cars will compete under NELCAR rules. For information please contact www.nelcar.net
3. Allison Legacy North Racing Series will compete under their rules. For information please contact www.allisonlegacynorth.com
4. The New England Mini Cup Challenge shall compete under the American Mini Cup Series Rules. For information please contact www.krazespeedequipment.com
5. **Mini Stocks** – Please refer to next page.

Mini Stocks

50 laps, **\$1,000** to win. Additional purse to follow. All cars subject to inspection.

- A. A \$20 registration/ inspection fee.
- B. Four(4) cylinder engines only.
- C. Must have wet – sump-oiling system.
- D. Headers allowed, any style exhaust.
- E. Weight is determined by one lb. per cc, 2200 lb. minimum for all 2200 cc engines and below.
- F. Maximum cc is 2550.
- G. 2500-2550 cc engines will carry an additional 25lb weight penalty in addition to 1lb per cc.
- H. 55% maximum left side weight.
- I. No ride height requirement.
- J. Weights and left side percentage with driver after the race.
- K. Rear wheel and front wheel drive allowed, trucks allowed.
- L. Chassis must be stock production style chassis. Tubing allowed for installation of fuel cell, hanging the body, or to install the front nose cover and rear bumper cover and if needed for structural safety of the vehicle. The purpose and intent of this rule is to not allow tube chassis cars and trucks.
- M. No four (4) barrel carburetor.
- N. Fuel injection allowed.
- O. Tires: 8” maximum tire width- no racing slicks- must be DOT rated tires.**

****Race officials reserve the right to add weight if in their opinion it is necessary to promote a more competitive race.
